

# Danish Army 1864 in 6mm

Last Updated: 14<sup>th</sup> February 2024

The following article originally appeared on the “Vendheume Fighters” website. It has been compiled by Jean-Marc Largeaud and reproduced here with permission. This list is based on the ideas of Bruce Weigle and Jean-Marc Largeaud. It was to be used for the supplement Bruce wrote for his "1870" ruleset. This information is reproduced here as a collaboration with Jean-Marc Largeaud. Some minor editing has been completed by Keith McNelly.

The miniatures are from the a number of ranges which are all referenced.

## INFANTRY

**Regulars in Kepis/Soft Caps:** NCF 1 French infantry Marching or NCF 2 French Infantry Attacking (Franco Prussian War range) and/or NCF 3 French Chasseurs Attacking. (Franco Prussian War range). *Note Use these figures for all regiments except the 18<sup>th</sup> Regiment (see below). NCF 1 / NCF 2 have greatcoat but the French Chasseurs are a good alternative. Jean-Marc recommends both while Bruce Weigle uses Chasseurs only.*

**Regulars in Shakos:** NCP 3 Prussian Jaegers Advancing (Franco-Prussian War range) or MAN 1 Austrian Musketeers in Shako or MAN 13 Austrian Musketeers in Shako Attacking (Napoleonic range). *Note use these figures only for the 18th Regiment only. None of these figures are perfect).*

**Guards (Livgarde):** In bearskins MFN 43 French Old Guard Attacking (Napoleonic range) or if in soft cap use the codes previous. *Note the Guards were not engaged but may enter the field in "what if"scenarios.*

## CAVALRY :

**Dragoons:** NCF 6 French Dragoons or NCP 14 Bavarian Light Horse. (Franco-Prussian War range. Some attention is required to the headgear in both packs).

**Guard Hussars:** MACW 4 Federal Cavalry (American Civil War range. These are not perfect).

In case you need the only squadron of Heavies in the Danish Guard :

**Royal Horse Guard:** NCP 9 Prussian Cuirassiers (Franco-Prussian War range). *Note there was only squadron of heavies in the Danish Guard.*

## **ARTILLERY**

**Gunners:** Crew from MACW 5 and MACW 22 Artillery (American Civil War range)

**Cannon:** NCF 7 French Artillery (Franco-Prussian War range) with some ACW guns.

**Artillery Train:** NCF14 French Gun Teams (Franco-Prussian War range).

## **GENERALS & STAFF**

Mounted French Officers from the FPW infantry packs, and MACW 4 Federal Cavalry
