Within the Heroics and Ros Seven Years War range is MSY 34 North American Indians. This is suitable for Hurons, Iroquois, Mohicans. This pack also includes a selection of very useful Coureurs des Bois and Trappers. In addition to the miniatures in the Seven Years War range this document provides guidance on the use of other Heroics & Ros ranges, including the Renaissance, English Civil War, Marlborough Wars and Napoleonic Wars ranges.

For those wishing to model infantry deployed in two ranks with figures in different poses codes are presented as front rank and rear rank, those listed as rear rank are marching. For those preferring both ranks in a single pose miniatures in marching poses are generally recommended.
